

## International Journal of Whole Schooling

### PERMISSION FOR USE OF MATERIAL

By signing below I assign copyright of the following article to the International Journal of Whole Schooling:

\_\_\_\_\_.

The Journal will at all times acknowledge my authorship of the article. I further understand that the International Journal of Whole Schooling will make this article available via its Internet web site and may distribute printed copies. The Journal may charge a fee for distribution of the material and I understand that I will receive no portion of such fee.

By signing below, I give my permission to include the material described above in the manner specified. Such permission applies to all future editions, versions, and revisions of this journal, as well as in derivative works and all ancillaries, including non-exclusive world rights in all languages. I also assure that I have the right to grant permission and that the material does not infringe upon the copyright and other rights of third parties, and that I am the owner / author of these materials.

I understand that the International Journal of Whole Schooling has a liberal reprinting and distribution policy, with individuals being able to assume the right to make small copy runs of the article.
